OFFICE OF PETITIONS

DECISION ACCORDING STATUS
UNDER 37 CFR 1.47(b)

This is in response to the petition under 37 CFR 1.47(b), filed Monday, October 28, 2002. Petitioner obtained a five-month extension of time. Accordingly, the petition is timely filed.

The petition is granted.

Petitioner has shown that Clifford James Hazel and Ian Vernon Williamson, the non-signing inventors, have refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the Statement of Facts of Alan Rae, Chief Operating Officer, establishes that the inventors were presented with the application papers, including the specification, claims and drawings, but failed to respond to the request that they sign the declaration. In addition, petitioner has shown that AAE Technologies Inc. has a proprietary interest in the above-identified application with the copy of an agreement transferring any patent rights to AAE Technologies Inc. The petition fee has been paid. Lastly, petitioner has submitted a declaration in compliance with 37 CFR 1.63 and 1.64 and demonstrated that such action is necessary to prevent irreparable damage.

This application and papers have been reviewed and found in compliance with 37 CFR 1.47(b). This application is hereby accorded Rule 1.47(b) status.

The application will be forwarded to Technology Center 1700 for examination in due course.

Telephone inquiries should be directed to the undersigned at (703) 306-5589.
